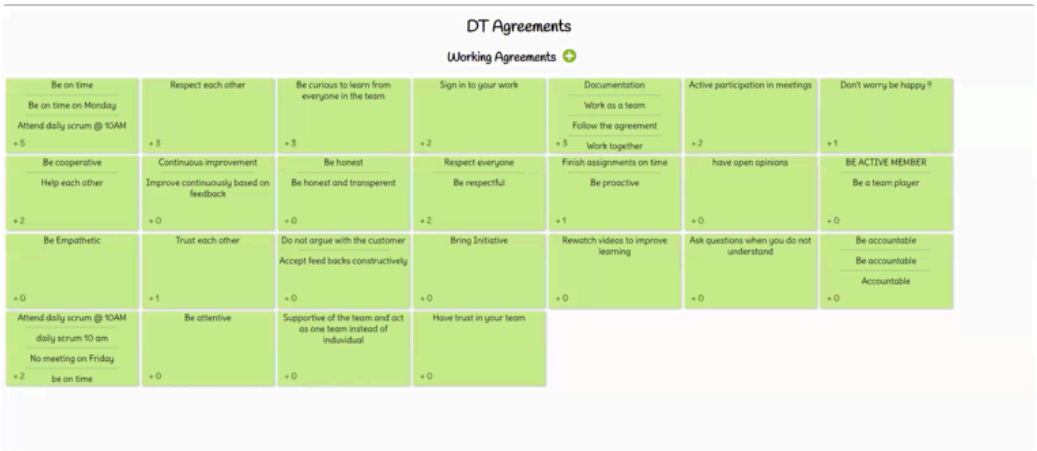
Working Agreements

On 10th February, as a SM, I facilitated working agreements WS for our digital team. Below were the inputs given by the team.



Summary of DT working agreements :

General Team Collaboration

1. **Respect Each Other's Opinions** – Every team member's input is valuable, and discussions should remain respectful.
2. **Be Punctual** – Start and end meetings on time.
3. **One Conversation at a Time** – Avoid side discussions during meetings to maintain focus.
4. **Use Cameras in Virtual Meetings** – If working remotely, turn on cameras during Scrum events to enhance engagement.
5. **Transparency** – Share challenges and blockers openly with the team.

Scrum Events & Meetings

6. **Daily Standup Timeboxing** – Keep daily stand-ups within **15 minutes**.
7. **Sprint Planning Preparation** – Everyone should review the backlog before sprint planning.
8. **Definition of Ready** – Ensure user stories meet agreed-upon criteria before pulling them into a sprint.
9. **Retrospective Action Items** – Implement at least one actionable improvement from every retrospective.

Work Execution

10. **Limit Work in Progress (WIP)** – Do not exceed agreed WIP limits to maintain focus.

11. **Pair Programming/Mobbing** – Use pair programming or mobbing when needed to improve quality and knowledge sharing.
12. **Follow Definition of Done** – Work is not considered complete until it meets the team's Definition of Done (DoD).
13. **Task Ownership** – Whoever starts a task is responsible for completing or handing it over properly.

Communication & Tools

14. **Use a Single Communication Channel** – Prefer Slack, Teams, or Jira for work discussions.
15. **Document Key Decisions** – Record important technical or process decisions for future reference.
16. **Update Task Status Daily** – Keep Jira/Trello/Asana updated to reflect work progress.

Continuous Improvement & Learning

17. **Knowledge Sharing** – Hold knowledge-sharing sessions when learning new technologies.
18. **Seek & Provide Constructive Feedback** – Encourage feedback during retrospectives and reviews.
19. **Self-Improvement Time** – Dedicate time for self-learning or skill improvement.
